4 bedrooms • 3.5 baths • 1,880 square feet of living space

Move right into this turnkey almost new three-story 4 bedroom end unit townhome in the Gardena gated community of Newfield that was built in 2017. The main level features an open concept great room that is flooded with natural light. The kitchen features a large island, ample cabinets, upgraded counters and back-splash, stainless steel appliances, and a large walk in pantry. There is a very large living room to fit your sectional couch and large flat screen TV and after you add your dining table you will still have room left over. On the top floor is the master bedroom that features a walk-in closet, an en-suite bath with dual sinks, plus separate tub and shower. There are also two additional bedrooms with a shared Jack and Jill bathroom as well as a separate laundry area that fits side by side washer and dryers. The fourth bedroom and bath are on the first level making it perfect for your guests or home office. Newfield is centrally located near the 91, 105, 110 and 405 freeways and is close to major employers such as SpaceX, Tesla, Northrup, and others, and not too far from where the new Rams football stadium is being built. For leisure and relaxation head west on Rosecrans Avenue for great restaurants, movie theaters, and shopping.
